Application Questions

1. Provide a brief (500 characters max) summary of this project in the space below. Please note this summary will be shared with the public and replicated for press releases and grant documents should funding be awarded.

2. Describe the project. Include a detailed explanation of the project including the purpose, planned deliverables, and desired goals/results.

3. Describe the community being served by this project and community support for this project. Describe how the community has been involved in the development of this proposal and/or will be involved in the implementation of this project. Describe how community support is shown for this project or projects of this type.

4. How does this project address a specific need in the community or provide a unique service to the community?

5. Describe the timeline/plan of work for this project. Include who is expected to do the work and when. Work that has already been completed toward the project should be mentioned here.

6. Describe how funds will be budgeted for this project. If the scope of the project is larger than the GO grant request, include any additional funding from other partners, grants, volunteer hours, or materials or services donated.

7. Provide any other information about this project that makes it unique/special. If the location of the project or the focus on the project has special significance to the community, please describe it here.

Supplemental Material

Up to 4 pages of supplemental material, 5 digital photos, and/or 5 minutes of digital video/audio may be submitted to support the project proposal. The purpose of the additional material should be to inform VOF about the unique qualities of the project and the community benefitting from the project. Creativity is welcome, but the supplemental material page limit is firm. Anything beyond four pages will not be considered. See application guide for additional information and examples of support material.
